

KETTLE MODELS

Cleveland's Steam Jacketed Kettles ensure that your soups, and sauces won't burn. Due to the double walled design of our kettles, you can reheat items quickly without worrying about accidental char!

STEAMER MODELS

Steamers cook food without resulting in a loss of nutritional value you may otherwise lose using an oven. They also are more efficient, and reduce the risk of overcooking food.

K-12 THE CLEVELAND 3,2,1

3

3 Year Parts and Labor Warranty on Tabletop/Floor Mounted Kettles, as well as Floor Mounted Tilt Skillets.

3 Year Warranty on 10-Pan and SteamChef Models with Filter Purchase (5 Year Generator Warranty on 10-Pan Steamers).

3 Year Warranty on ALL Steamer Doors.

2

2 Piece Door Our 2-piece door helps to build a safe steam-proof seal, this design also minimizes wear and tear due to a rotatable, and reversible gasket seal (4x the use of a normal gasket!).

2 Year Standard Warranty without Filter purchase for Steamers

1

1 Year Warranty on ALL Steamer Door Gaskets

K-12 WITH CLEVELAND RANGE

Tilt Skillet Models

The most versatile piece of equipment for any kitchen. Tilt Skillets can be used as stock pots, shallow fry pans, steamers, and griddles! Create anything from grilled cheese, to steamed rice, they can even be used to make soups.

WHY CLEVELAND?

We remain steadfast in our dedication to the one industry trend that's truly timeless: quality. While our products' features and designs have adapted over the years, our attention to detail, unparalleled craftsmanship, and tireless work ethic have never wavered, making sure we keep providing K-12 kitchens with equipment that adds value and versatility to their kitchen.

Upholding our enduring tradition of quality, we've never been prouder to continue building your confidence through dedication. Now as we look to the future, we're thrilled to keep working together to solve every new challenge that comes to your kitchen.
