

# K12 CHOICE EQUIPMENT FOR 2025

## SteamCraft Gemini

- Generator based convection steamer
- Completely Independent cooking compartments
- Ideal for high volume operations
- Energy Star model available
- Free Water Filter included
- Easy access decaling port for simple maintenance
- Two-Piece door ensures cool door temperatures, ideal for kitchen safety

## SteamChef

- Boilerless Convection Steam for fast even cooking with or without connections
- Patented Kleanshield eliminates flavor transfer common to other boilerless steamers
- Available in gas and electric, meets Energy Star Requirements
- All electric models now Ventless, meets EPA 202
- Simple daily cleaning, no descaling required

## Why Choose Cleveland Steamers, Skillets, and Kettles?

- 3-year parts and labor warranty standard for K12, includes 1-year gasket warranty
- Free start up, free shipping
- Lifetime Technical Support
- White glove installation programs available
