

# Cleveland Care

TOTAL CARE. TOTALLY CLEVELAND.

**Cleveland Care** is our commitment to our valued customers long after the sale. Designed as a go-to one stop destination for everything your equipment needs, **Cleveland Care** provides start to end support through startup, maintenance, and warranty services. From day one through the life of your equipment, we're here to help you operate with confidence, reliability, and peace of mind.

## STARTUP

START SMART. START CLEVELAND.

Get your equipment ready to perform from day one with our online form, making it easy to register and schedule:

- Your space is evaluated through a **Site Survey** to ensure it is prepared for success
- Professional **Installation** ensures proper setup and reliability
- Expert **Startup** verifies operation and performance before use

# MAINTENANCE

PROTECT PERFORMANCE. PRESERVE CONFIDENCE.

Extend your equipment's life with everything you need to keep it running at its best:

- Learn about **water quality and filtration** for optimal operation
- Find the right **cleaning supplies** designed for your equipment
- Access **technical service videos** that guide maintenance and troubleshooting

# WARRANTY

BE COVERED. BE CERTAIN.

Easy 24/7 access to online warranty resources that can help you *faster*:

- Access **Product Manuals** online for quick reference
- Search with **Parts Identifier** by model or serial number and find the right parts based on real usage data
- Complete **Warranty Registration** in a few steps to activate and protect coverage
- Submit **Warranty Service Dispatch** request to get connected with Factory Authorized Servicer
