

Steamers - Cleveland Certified Installation Program and Kits

Cleveland's Factory Authorized Servicer (FAS) will arrange and oversee the complete installation and start-up process to ensure proper operation.

Standard Installation Pricing Includes:

- Travel to and from installation location by Factory Authorized Servicer (FAS) – up to 200 miles round trip
- Professionally reviewed and managed install process
- Delivery of purchased equipment
- Uncrating of purchased equipment
- Inspection of purchased equipment prior to install
- Assembly of purchased equipment
- Stacking of purchased equipment
- Placement of unit
- Leveling of unit
- Connection of existing utilities within 3 feet of unit
- Operational/functional test
- Disposal of new equipment packaging and dunnage
- Operator functional training on day of installation
- Equipment startup

Standard installation pricing does not include:

- Pre-installation site survey (required)
- Installation kit (recommended)
- Installation of water filtration, additional charges as shown below
- FAS travel over 200 miles round trip
- Special licensing and permits
- Installation outside normal business hours
- Site modifications
- Some installation locations will require additional materials to be purchased by customer
- In the event the pre-installation site survey or installation visit is aborted due to the site not being ready, the customer will be required to pay the FAS directly for any additional labor and travel charges for subsequent visits.
- Disposal of old equipment, additional charge as shown below.
