SCALE UP WITHOUT SCALING OUT.

60 gallons of controlled, even heat means bigger batches, faster turns, and one operator doing the work of a whole station, in the same footprint your kitchen already plans for.

FLAGSHIP • COMING SOON

MEET THE

NOVOPAN T5™

Cleveland's most advanced yet, and only premium gas tilt skillet. A precision-controlled workhorse that replaces multiple stations, with a dual-console design running water and power separately.
