STAINLESS STEEL CLEANER & POLISH

The Cleveland Stainless Steel Cleaner & Polish is a ready-to-use liquid formula designed to keep stainless steel surfaces looking their best. It effortlessly removes fingerprints, grease, and residue, leaving behind a brilliant, streak-free shine. Its polished finish not only enhances the appearance of kitchen equipment but also helps repel dust and dirt for longer-lasting cleanliness. Ideal for use in busy commercial kitchens, Cleveland Stainless Steel Cleaner & Polish delivers a spotless, professional look with every use.
